Introduction

Our mixed-medium jackets seamlessly merge premium fabrics, unique textures, and modern silhouettes to deliver a refined yet dynamic outerwear experience. By expertly blending materials such as softshell, quilted panels, polar fleece, and contrast fabrics, we craft pieces that are visually striking, technically advanced, and supremely comfortable.

Distinctive Styling

Quilted bodice with soft shell sleeves or any sleeve finish.

Creative material pairings such as quilted nylon with stretch-knit sleeves or softshell bodies with polyester-blend panels.

Eye-catching texture contrasts for a premium, tailored look.

Enhanced Comfort

1

Strategic fabric placement for warmth where it's needed and breathability where it counts.

2

Ultra-soft tech jersey lining for all-day comfort.

Mock suede inserts with brushed cotton twil.

Different colour combinations available

Durable Construction

Reinforced seams and premium-quality trims for long-lasting wear.

Versatile Wear

Ideal for corporate, retail, promotional, and lifestyle applications.

Custom Branding Options

Embroidery, appliqué, heat transfer, or leather-look patches for a bespoke, high-end finish.
